

SAN FERMÍN 2012

CHUPINAZO/TXUPINAZO

Join us in the Ayuntamiento, the town hall square, on the 6th of July for the chupinazo, the opening ceremony, when the exploding rockets announce the start of the Fiesta de San Fermín 2012. The "chupinazo/txupinazo" marks the beginning of the 204 hours of Sanfermines. Our special 3-hour program allows you to enjoy this unique spectacle from the comfort of a privileged vantage point, a private balcony overlooking the plaza, as it fills with thousands of celebrants.

Program includes Champagne (cava), wine, beer and appetizers.

Chupinazo Program - €300/person (package clients) - limited availability

Then join us for our special celebration lunch following the opening ceremony.
